RESPONSE TO QUESTION 9

MCC Telephony, Inc. (“MCC Telephony”) requests streamlined processing pursuant to Section 63.12 of the Commission’s Rules. This Application is eligible for streamlined processing because MCC Telephony is not affiliated with foreign carriers on any route for which authority is sought. In addition, MCC Telephony is not affiliated with a dominant U.S. carrier whose international services MCC Telephony seeks to resell. Finally, except as provided in Section 63.22(e)(2) and 63.23(d)(2) of the Commission’s Rules, MCC Telephony does not request authority in this Application to provide switched services over private lines to countries not previously authorized by the Commission for this service.

RESPONSE TO QUESTION 10

Not applicable.

RESPONSE TO QUESTION 11

As evidenced by the certification provided, MCC Telephony is not a foreign carrier and is not affiliated with any foreign carrier.

RESPONSE TO QUESTION 15

- 63.18(d) MCC Telephony has not previously received Section 214 authority from the Commission.
- 63.18(e)(3) Not applicable. MCC Telephony is not applying for authority to acquire facilities or to provide services other than those covered by paragraphs (e)(1) and (e)(2).
- 63.18(g) Not applicable. MCC Telephony is not seeking facilities-based authority under §63.18(e)(3).

MCC Telephony requests the following authority in this Application:

- Authority to operate as a facilities-based carrier, pursuant to the terms and conditions of Section 63.18(e)(1) of the Commission's Rules, on all routes. As evidenced by the certification provided, MCC Telephony will comply with the terms and conditions contained in Section 63.21 and 63.22 of the Commission's Rules; and
- Authority to operate as a resale carrier, pursuant to the terms and conditions of Section 63.18(e)(2) of the Commission's Rules, on all routes. As evidenced by the certification provided, MCC Telephony certifies that it will comply with the terms and conditions contained in Section 63.21 and 63.23 of the Commission's Rules.

MCC Telephony will use previously authorized facilities to provide its facilities-based services and thus this Application is categorically excluded from environmental assessment pursuant to Section 1.1306 of the Commission's Rules.
